

## PRESS RELEASE

Zwolle – October 20<sup>th</sup> 2016

### RoodMicrotec Appoints New CFO

RoodMicrotec, the Dutch semiconductor supplier of advanced microchips critical to communication in the rapidly expanding electric automotive, industrial and medical sectors, has appointed Arvid Ladega as its new CFO from November 1<sup>st</sup> 2016. Erwin Vrieling, the current CFO, will stay on as a financial advisor to the company.

**Martin Sallenhag, CEO of RoodMicrotec said:** “Arvid brings with him a wealth of experience from his functions as CFO and financial controller in industrial engineering. We are also ensuring continuity in the role with Erwin staying on as an advisor.”

Arvid Ladega has extensive experience as CFO in the industrial sector, having served in that capacity for almost seven years at Turn Key Pipeline Services B.V. and five years at Bartels Engineering, both in the Netherlands. He also held a senior financial position at Wasco Coatings Europe, subsidiary to its Malaysian listed holder.

Erwin Vrieling, who has served as RoodMicrotec CFO since November 2015, is making a speedy recovery from a recent eye operation. He has decided to further his career as an independent financial advisor.
